

Cornwall Science Learning Partnership

New courses in Spring 2018 for Secondary Teachers

Current changes in all phases of science education mean that it has never been more important to ensure that opportunities for networking, sharing good practice and quality CPD meet the demands of science teachers and their learners.

The home straight: Securing the grades

RD331 A01

With the first examination of the new 9 to 1 graded science GCSEs in June 2018, the Science Learning Partnerships have drawn together a series of workshops to help you and your science teams prepare your students and yourselves as we approach the examination season.

Venue: Truro College, Truro

Dates: 30th January July 2018

Activity fee: £140.00 + VAT

Book now at: <https://www.stem.org.uk/cpd/422150/home-straight-securing-grades>

Royal Society of Chemistry Support Sessions for Secondary Teachers

RD328 A01

This CPD is provided in partnership by Science Learning Partnership Cornwall, Cornwall Teaching School and the Royal Society of Chemistry. It will be particularly useful for NQTs but is open to all secondary science teachers who would like the chance to take part in this free CPD. This session will enable you to develop confidence in your subject knowledge and understanding of chemistry.

Venue: Truro College, Truro

Start date: 22nd February 2018 (4:30pm to 6pm)

Activity fee: Free

Book now at: <https://www.stem.org.uk/cpd/422268/royal-society-chemistry-support-sessions-secondary-teachers>

STEM showcase

RD704 A02

A special evening dedicated to showcasing STEM in Cornwall, providing a new science networking opportunity for teachers and STEM ambassadors from both primary and secondary schools and colleges.

Venue: Truro College, Truro

Start date: 8th March 2018 (5pm to 7pm)

Activity fee: Free event

Book now at: <https://www.stem.org.uk/cpd/422002/stem-showcase>

Grade Securing Strategies: Supporting Chemistry in the new GCSE 1-9 grades RD331 A02

This twilight session in conjunction with the Royal Society of Chemistry's Learn Chemistry Partnership programme will look at ways to prepare your students and yourselves as we approach the examination season. Topics in the session will include from practical to paper and how the questions reflect the practical skills as well as supporting the extended writing.

Venue: Sir John Hunt Community Sports College, Plymouth

Start date: 8th March 2018 (5pm to 7pm)

Activity fee: Free event

Book now at: <https://www.stem.org.uk/cpd/422002/stem-showcase>

Bespoke Training

We can develop an affordable bespoke CPD primary or secondary event, delivered locally for:

- individuals such as subject leaders, coordinators, heads of department
- a team/whole department
- a network of schools/groups or multi-academy trusts
- initial teacher education
