## PUPIL PREMIUM PROGRAMME

In collaboration with the Education Endowment Foundation and Research Schools Network, Cornwall Teaching Schools have organised a programme which draws upon the most recent and robust evidence of impact.

'Maximising the Impact of the Pupil Premium' is a three day course which will be led by experienced senior leaders with a proven track record for closing the attainment gap and who are experts in the field of evidence-based education. The programme is aimed at Headteachers, Pupil Premium co-ordinators and Leaders with responsibility for learning, progress and outcomes for disadvantaged pupils.

Helen Argall, Cornwall Teaching School Lead, said: "This is an exciting programme which follows on from our very successful Pupil Premium Conference last year. It will focus on the principles of effective Pupil Premium use, set clear outcome measures based on pupil need and will provide strategies for support and ongoing planning for Pupil Premium teaching and learning."

Places cost £295 per person or £395 per team of two. The programme will get underway in January. To book a place and for more information please contact Victoria Flower of Kingsbridge Research School at [victoria.flower@kingsbridgecollege.org.uk](mailto:victoria.flower@kingsbridgecollege.org.uk)

## Building Capacity in Coaching For Leaders in Education
